COMMISSIONER FOR PATENTS

Sir:

An Office Action (Final Rejection) was mailed November 17, 2004 for the above-identified patent application. The undersigned believes in good faith that a response was mailed on February 14, 2005. However, to date, a return receipt postcard has not been received to show that the response was received at the U.S. Patent and Trademark Office. Further, applicant's office file does not include a complete copy of what should have been included in the response, leading the undersigned to suspect that the submission was incomplete, and possibly never mailed. Accordingly, the undersigned submits herewith another copy of the response.

In the event that the original February 14, 2005 response was not received by the U.S. Patent and Trademark Office, the undersigned hereby petitions for any required extension of time and authorizes the Commissioner to charge any required extension fee to the Milbank Tweed deposit account (13-3250). A duplicate copy of this page is included.
